Dear Dr. Wheelan:

McDowell High School (MHS), 600 McDowell High Drive, Marion, NC 28752 has requested McDowell Technical Community College (MTCC) to begin offering dual enrollment courses in College Transfer - Associate in Arts at MHS beginning in August 2019. MTCC staff have reviewed the courses MHS staff have requested we teach and have determined they will fall within the 25% to 49% threshold. MTCC faculty will be teaching those courses at MHS.

In a letter dated February 15, 2019, which is attached, the Commission approved McDowell High School, 600 McDowell High Drive, Marion, NC 28752 as an off-campus instructional site to offer greater than 50% of the credits for the Emergency Management Certificate Pathway. This will be an additional program offering at MHS.

Sincerely,

A handwritten signature in cursive script that reads 'Ladelle Harmon'.
