Dear Dr. Wheelan,

McDowell Technical Community College is planning to add a new Associate credential for Landscape Gardening in August 2017. Please see the enclosed prospectus requesting SACSCOC approval. We have approval from our Board of Trustees and are awaiting approval from the North Carolina Community College System of offer the Associate in Landscape Gardening (A15260). We expect their approval at the January 2017 meeting.

Sincerely,

A handwritten signature in black ink, appearing to read 'John D. Gossett', with a long horizontal line extending to the right.
