Student Name: _____ Telephone: _____
 Student ID # _____ or SSN: _____ Birth Date: _____
 Address: _____

This form is to be completed by dependent students who do not meet the federal criteria for “independent” status but wish to have their circumstances reviewed in hopes of being declared independent. This form and all requested documentation should be returned to the MTCC Financial Aid Office. Incomplete requests and/or requests without supporting documentation will not be considered. All requests and documentation will be kept confidential. While all requests will be reviewed, completing this form and providing documentation does not guarantee a change in dependency status. Once your request and documentation has been reviewed, you will be notified of the results in writing.

Please note that **none** of the following conditions qualify as unusual circumstances meriting a dependency override:

1. Parents refusal to contribute to the student’s education
 2. Parents unwillingness to provide information on the FAFSA or for verification
 3. Parents do not claim the student as a dependent for income tax purposes
 4. Student demonstrates total self-sufficiency
- (Federal Student Aid Handbook, Application and Verification Guide—Chapter 2)

Examples of situations where petitions **may** be approved include abusive family environment or abandonment, parental incarceration or severe estrangement.
