

2022-2023

MTCC Learn and Grow Scholarship Program

Scholarship Application

Please complete and return to the Financial Aid Office or e-mail to Financial.Aid@go.mcdowelltech.edu. You must complete a curriculum student application, or be a current student **and** have completed the FAFSA Financial Aid Application.

The *Learn & Grow* scholarship is a last-dollar program and the Financial Aid staff will evaluate eligibility for federal, state, and local/institutional grants prior to awarding any federal/state relief funds. Scholarships will be available on a first-come-first-served basis once the application and FAFSA applications are received. If you are approved for a scholarship, once you register your award will be added to your account. You must register for a **minimum of 6 curriculum credit hours** to be eligible for an award. We will contact you via phone or your student e-mail should we have any questions or need additional information. Please check your student e-mail regularly for updates. Thank you.
