

2022-23 Verification of 2020 Income Information (Non-Tax Filers)

Your 2022-23 Free Application for Federal Financial Aid (FAFSA) has been selected for a process called verification. In this process, McDowell Technical Community College (MTCC) will be comparing the information you provided on your FAFSA with the information provided on this form and any other required documentation. Federal law states our office has the right to ask you for this information before awarding financial aid. If there are changes necessary after the verification process, the MTCC Financial Aid Office will submit those changes to the Department of Education. You must complete and sign this worksheet and submit any required documentation to the Financial Aid Office as soon as possible. Please email completed form to financial.aid@go.mcdowelltech.edu
