

BP 2.11 Delay – Cancellation of Classes Due to Adverse Weather

Legal Authority 1C SBCCC 200.94

Approvals 11/8/18
Revision

Policy

The Board of Trustees of McDowell Technical Community College strives to provide a safe teaching and learning environment for faculty, staff, and students. However, under extreme/adverse weather conditions that may affect personal safety, a decision may be made to delay or cancel the operations of the College.

Therefore, the Board of Trustees delegates to the President the decision-making authority to delay or cancel the operations of the College due to extreme/adverse weather conditions.
