### **Policy**

This policy is established to deal with eliminating or consolidating MTCC positions due to financial reasons. A financial emergency may be declared by the President upon approval by the Board of Trustees or its Executive Committee. Should such an event occur the major objective of the administration shall be to maintain the instructional integrity of the College. The President is responsible for developing procedures which may help to avoid or at least delay loss of positions and to establish procedures for eliminating positions if it became necessary to do so.
