### **Policy**

All part-time instructors will be subject to the same course/instructor evaluations as full-time counterparts, including periodic classroom visitation by the Curriculum Program administration or faculty designee. All classes taught by part-time faculty will be evaluated. The results of such evaluations will be maintained on file according to the same procedures for full-time faculty and may be followed by a conference with one or more of the following: Dean(s) and/or Vice-President for Learning and Student Services.
