Authorization

Must be completed and approved prior to departure

Copy of an approved authorization must accompany a reimbursement form

Advance

Means you are requesting money to use on your trip

Should be submitted **30-45 days prior** to trip to ensure advance payment

To receive an advance, indicate the amount under "Total Advance Requested" at the bottom of the form

This includes money that the college pays directly to an organization for registration

If the college is to issue payment for the registration directly to an organization:

Attach a completed registration form

Fill out the amount and to whom the check should be paid

Remember to obtain a receipt to attach to the reimbursement form when you return

Note: copies of cancelled checks can no longer serve as a receipt

All Authorization / Advance forms will need proper documentation (an agenda or itinerary).

If no money is needed (just an authorization) leave "Total Advance Requested" blank or enter '0" and attach an agenda / itinerary.
