REASON FOR DECLARING SECONDARY MAJOR	

I understand that permission to declare a secondary major is granted upon my assurance that I intent to complete the curriculum and petition to graduate the secondary degree.

Students receiving federal financial aid are allowed a lifetime Pell Grant limit of 12 full-time semesters or the equivalent. Declaring more than one major and/or changing majors frequently could result in little to no Pell Grant funds in the future should the student wish to continue their education and pursue a degree beyond an Associate's degree.
